Selectmen's Meeting

NOVEMBER 12, 1985 - by VIRGINIA ARRAL

PRELIMINARY STUDY GROUP FORMED FOR POLICE BUILDING NEEDS

For the third time in the past eight years a Board of Selectmen has considered the need for expansion or a move to new quarters for the Police Department.

A letter from Police Chief James Moran read at last week's Selectmen's meeting requested the board appoint a committee to study the needs of the Police Department to build a new Police Station on Route 6, the former Deniz property that the Town now owns (through a recent tax title taking).

The Chief's letter read, in part: "The Police Department has been housed in the rear of the Town Hall for approximately 30 years and, with the exception of an addition built in 1970, it remains the same.

"The needs of a modern day police department greatly exceed the present conditions that we work out of day and night, year after year. Presently, the police department consists of 15 full-time and 15 part-time officers.

"The area that most of the police work is done, including booking arrested people, interviews, talking to people who need to see an officer, plus the toilets, etc., is a room approximately 12 x 15 feet. Conditions like these are not only hard on the

officers but also on the people who must come in and speak to an officer, and most of all, it is unsafe because it is so congested.

"We have used every conceivable place for storage and still have much piled up where it should not be - including records, ambulance supplies and other supplies that should be kept separate.

"Ambulance supplies and also the ambulance are kept in a semi-heated garage, but mostly it is cold because of the system to keep heat out there. The locker room was built for nine officers but presently 28 officers keep their weapons and other gear out there.

"The front radio room where the radios, teletype, computer and court records, along with all messages and the police log are kept, is wide open to anyone who walks in or by to pass through the rear part of the station - and the security is very poor."

(EDITORIAL NOTES ON BACKGROUND OF POLICE BUILD-

The need for a larger station became evident in 1977 when the then Board of Selectmen appointed a Public Safety Building Needs Committee to look into the feasibility of a combined Police and Fire Complex.

A committee was appointed and a report was filed in the 1977 annual report as follows: "In summing up our recommendation, we find the conditions under which the police department must work as deplorable. There is just no room for good operation and they definitely need larger quarters."

At the 1978 annual town meeting voters approved $2,500 to hire an engineer and/or architect and authorized the Selectmen to appoint a building committee to get preliminary plans and construction costs for a police/fire complex, and land acquisition.

Harold A. Roeder was named chairman of that building committee and later gave Selectmen a figure of $660,000 for building both the police and fire complex. However, due to the constraints of Proposition 2 1/2 at that time, and

the problems with acquiring land, the situation was put on hold until the suggestion for a police department building at the Grange Hall was discussed in 1979.

The feasibility of converting the Grange Hall was dropped after discussing plans with Chief Moran. It was determined the access to the highway was too busy, the parking space too small and the cost of renovation too high.)

As the Selectmen of eight years ago said, the Selectmen today are repeating now - that the time has come to take a long range look into our ever-increasing needs in this department. As a result of last week's meeting, the board appointed the following persons to the first of a two-part study committee - a Preliminary Police Building Needs and Evaluation Committee: Peter B. Hodges from the Finance Committee, Lt. James A. Santos, Police Department; Bernard Talty, experience with the Housing Authority and the building of Old Colony Vocational-Technical High School; David Crook, Building Inspector; and Robert M. Coquillette from the general public. Each will be asked if they wish to serve on the committee.

In other business, Selectmen:

WILL TAKE UNDER ADVISEMENT a request from Robert A. Freedman, executive director of the Zeiterion Theatre, for the town to donate $5,000 as support to retain the theatre.

The letter pointed out that each town in the New Bedford surrounding area is being asked to donate the same amount. The theatre recently received a subsidy of $50,000 from the City of New Bedford; and, with a budget of $850,000., the theatre is in need of outside donations and grants to fill the gap low ticket prices cannot fill.

Along with the request was a letter of support from State Senator William Q. MacLean. He noted the state has contributed $1,300 from capitol support through the Massachusetts Council of the Arts.

Selectmen Chairman John DeCosta said the Board is fully in favor of the service the Zeiterion Theatre performs in the area, but that "we cannot commit that large sum of money without the voters' approval". The board agreed to place an article in the

ECUMENICAL THANKSGIVING SERVICE

The 12th Annual FAST FOR A WORLD HARVEST is scheduled by the Marion Ecumenical Council for Thursday, November 21st. An Ecumenical Thanksgiving Service will follow at St. Rita's Church at 7:30 p.m. November 27th.

Ox-Fam America has again been designated as the recipient of our funds. They have advised that this year plans are being made to furnish seeds, tools, and other agricultural aids to the areas that have suffered from severe drought, in order that these people may again become self-sufficient. Rains are starting to fall again thus ensuring chances for new harvests.

To those who have so generously responded in the past, we earnestly hope that their help will continue to assist those less fortunate to make a new life for themselves.

Checks may be mailed to the Marion Ecu-

ANNUAL ACTIVITIES STARTING

Mattapoisett Boy Scout Troop 53 is starting its annual activities once again. We have an enthusiastic scoutmaster, a supportive committee of parents and many eager boys.

Scouting is an educational and rewarding experience that teaches skills and values that will stay with these boys for years to come. We have many exciting activities planned and welcome the participation of any interested boys. We are anxious for any Webelos Scouts from last year or any

new members to join us. No previous scouting experience is necessary. Any boy 11 years of age or having completed the fifth grade is eligible to become a Boy Scout.

The scouts will become involved in numerous activities and will explore various fields of interest as the year progresses. Parent participation is welcomed and encouraged. Perhaps you have a particular skill or hobby that you would be willing to share with the scouts. We feel both the boys and parents will benefit from this effort.

The next scheduled meeting will be held Wednesday, November 20th, at 7:00 p.m. at the Mattapoisett Congregational Church Hall. We look forward to seeing you then. If you have any questions please call Jane Gleason at 758-9427.

WE HAVE TAKE OUT ORDERS

to publicly thank the Marion DPW for allowing us to use one of their barns to build our float. They were always ready to lend a helping hand with anything we needed. Secondly, I would like to thank Charles Silveria for allowing us to use his flat-bed trailer and truck for pulling the float. Lastly, I would like to thank all of the parents who chaperoned and everyone who graciously gave us advice and help.

MMR THANKS VOLUNTEERS

The MMR Tri-Town "Dollars for Scholars" Board of Trustees would like to extend its heartfelt thanks to all the volunteers who made the Phone-a-thon such a great success. Phone-a-thon Chairman Susan Hottel stated that "without the people who were willing to spend time on the phone and address envelopes the Phone-a-thon would have been an impossible task." Special thanks to Sippican Ocean Systems in Marion and G.H. Dunn Insurance in Mattapoisett for providing the facilities and phones.

Many thanks to the following people who volunteered their time: Betty Bailey, Doreen Surprenant, Marcia Wordell, Polly Mort, Kim Borden, Maggie Surprenant, Pat Ryan, Nancy Guard, Pat Baggarly, Lisa Heinz, Nicole Lyonnais, Missy Harris, Ilona Langhoff, Janet Collins, Dawn Clark, Claire Keene, Janet Adams, Betsy Parks, Paul Deterra, Sharon Dean, Wayne Oliveira, Dale Bradshaw, Merri LaCrosse, Aimee Surprenant, Kathy Forand, Michelle Kirby, and Betsy Foster.

MMR also thanks the residents of Marion, Mattapoisett and Rochester for their positive response to the Phone-a-thon. Many mailers have been returned already. If we were unable to reach you during the Phone-a-thon and you wish to make a donation, it may be sent to: MMR Dollars for Scholars, P.O. Box 1091, Mattapoisett, MA. 02739.

Sippican Choral Society

CHRISTMAS CONCERT

Sippican Chorus will present its traditional Christmas Concert on Sunday, December 8th, at 4:00 p.m. in the Wickenden Chapel of Tabor Academy, Marion.

In the lovely setting of the Chapel, the chorus will present a varied program of seasonal music including early American carols, works by Britten, Schutz and Ravenscroft. Highlighting the program will be the lovely St. Nicholas Mass by Haydn.

Accompanying a portion of the program will be the Sippican Chamber Orchestra.

Judith C. Dautel is the chorus director and the accompanist is Mrs. Corinne Peck.

Mattapoisett Woman's Club

NOVEMBER MEETING

Back by popular demand is David Quick from Hawthorn Florist in North Dartmouth, who presented such an outstanding program last year that many people requested a repeat performance this year before the holidays. At the November 21st meeting of the Mattapoisett Woman's Club at 1:00 p.m. in the Congregational Church Parish Hall, Mr. Quick will be speaking about and demonstrating "Holiday Fun with Flowers". Mr. Quick has offered to make suggestions for arrangements for anyone who would like to bring a favorite container or a holiday container (Thanksgiving or Christmas). This is a program no one will want to miss.

DECEMBER MEETING CORRECTION: Please note that the December meeting date is incorrect in the yearbook. Be sure to mark your calendar and yearbook for our meeting on December 12th. It will be a very special meeting and program.

"BEAUJOLAIS NOUVEAU TASTING"

The time is fast approaching for the arrival of the 1985 Beaujolais Nouveau wine. The date of this annual "Rite of Fall", which is governed by French law, has traditionally been a festive event in France. Wine lovers await its release, filling French cafes and watering holes throughout the world for that "first taste" of the new vintage wine.

Beaujolais Nouveau is the very first release of the current vintage, bottled very young to capture all the fruit and freshness of the recently harvested grapes. It makes no pretense of finesse - it is a light-hearted wine for drinking NOW.

The first bottles of Nouveau to arrive in this country are flown in from France, much to the delight of sippers too anxious to await its normal journey by ship.

In this tradition, the Marion Art Center and Spirits are pleased to present their own "Beaujolais Nouveau Tasting", giving all area oenophilists an opportunity to sample this year's vintage. The gala event will take place on Saturday, November 23rd, from 5:30 to 8:00 p.m. Hors d'oeuvres and entertainment by pianist Christopher Brown are included in the ticket prices: $8.00 for members of the Center and $10.00 for non-members. General admission tickets may be purchased at Spirits and reservations may be made by calling the Marion Art Center at 748-1266.

Help Is Here.

Fairhaven Savings Bank Opens In Mattapoisett.

Sometimes help arrives in strange ways.

The mobile unit you see outside the former Plymouth National Bank location is our temporary office.

Of course, we could have waited for our new office to be completed before we opened for business. But that's not until January 6. And good help is something that just can't wait.

So drop by our banking Winnebago. If you're not a Fairhaven customer, we'll help you open a new account. If you already bank at one of our other branches, our temporary office could save you some time. You can make deposits, loan payments, even apply for a loan or a 24-hour teller card.

For the time being our banking hours are Monday, Tuesday, Thursday, 8:30-3:00; Wednesday, 8:30-noon; Friday, 8:30-6:00.

Need more information? Call Jean Holt at 999-2961.

So whatever your banking needs, please stop by. Because help is here to stay.

Letter to the Editor

If he were standing in front of Plimoth Plantation I could visualize President Reagan making remarks about the Pilgrims similar to those he said on election night 1980: "You can see them as they look up at that touching statue of Thomas Jefferson or out from the top of Washington Monument or as they read the words on the Lincoln Memorial....These visitors to that city on the Potomac do not come as white or black, red or yellow, they are not Jews or Christians, conservatives or liberals, Democrats or Republicans. They are Americans, awed by what has gone before, proud of what for them is still a shining city on a hill.

"At this very moment some young American coming up along the Virginia or Maryland shores of the Potomac is seeing for the

first time the lights that glow in the great halls of our government and the monuments of our great men. Let us resolve tonight that young Americans will always see these Potomac Lights, that they will always find this a city of HOPE IN A COUNTRY THAT IS FREE.

"Let us resolve that they will say of our day and our generation that we did keep faith with our God, that we did act worthy of ourselves, that we did protect and pass on lovingly that shining city on a hill."

As our President meets the Soviet leader, all Americans of goodwill will join in prayer asking God's help for a true and honest world peace - "more things are wrought by prayer than this world dreams of". A HAPPY THANKSGIVING TO ALL.

interest to the children is the fact that Mr. Morgado is a former graduate of Center School (1961) and ORRHS (1964), and that he has recently completed illustrating a Care Bear Tale, "The Magic Words". He has also been doing a great deal of commercial children's illustrations and design for companies like McDonald's and Xerox Weekly Reader, and has many other credits to his name in the field of illustration and design.

Mr. Morgado will be meeting with all of the Center School students in small groups throughout the day. He will give informal presentations - discussions which will include original artwork and explanation of the storyboard, printing and the preliminary steps of putting a book together.

The Mattapoisett Parent-Teachers' Club and the children of Center School are thrilled to accept his generous gift of time and talent. We look forward to his visit!

New Bedford Library

75th ANNIVERSARY OF MAIN LIBRARY BUILDING

The New Bedford Free Public Library is celebrating the 75th Anniversary of its main library building on December 1st.

The event will be highlighted by a unique slide presentation narrated by Max Ferro, architect and preservationist. The slides, made from glass negatives of photographs taken between 1906 and 1910, depict the actual construction of the library building.

The history of the library, its location in what was the City Hall, and its eventual relocation after the fire of 1096 to its present location will all be part of this original presentation.

The glass negatives from which the slides were made were donated to the library by Thomas Perry, Jr. of Fairhaven. Mr. Perry had purchased them in 1975 at an auction for $5.00.

Plimoth Plantation

A Native American from Plimoth Plantation of Plymouth visited the Center School in Mattapoisett and the Rochester Memorial School in Rochester to share with them the life and culture of the early Plymouth colony.

Participating in the Plantation's Education Outreach program, 23 Pilgrims and two Native Wampanoag Indians are visiting schools throughout Massachusetts and other parts of New England.

Zipzees, portrayed by Melissa Paul, visited the third grade at the Center School, and Mishanaqua, portrayed by Anita Nielsen, visited the third grade at Rochester Memorial School.

The early Plimoth residents carry with them a basketful of tools, household items, slides and boy and girl clothing for students to try on. Each session lasts one hour.

schools: Family Life in New Plimoth, relating to the Pilgrims; In My Wetu and Our Place in Nature, concerning Wampanoag life.

An added element to the Pilgrim program includes a classroom visit to the 1627 Pilgrim Village at Plimoth Plantation where students reinforce the classroom learning by hands-on tasks of splitting wood, baking in the hearth, tilling garden beds, and more.

Plimoth Plantation's Education Outreach program has grown in popularity since it started eight years ago. During the 1977-78 school year, the Plantation made 34 school visits to 1,944 students compared to 1032 programs for 32,092 school children during 1983-84. This year promises to outscore last.

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include the full scale replica Mayflower II, docked at State Pier in Plymouth Harbor, the 1627 Pilgrim Village and a Wampanoag Indian Campsite. It is open to the public April 1 through November 30.

Ms. Roberts, an experienced storyteller, not only entertained the children with old Halloween stories, but also informed them of the stories' origins. Of all the stories, the children especially enjoyed hearing "The Yellow Ribbon" and "The Wild Things" because they were able to "actively" participate in the story. Before concluding her visit Ms. Roberts allowed the children to share some of their own eerie tales. We thank Ms. Roberts for making Halloween extra special.

GRADUATES OF WENTWORTH INSTITUTE

Local seniors were among the 280 students awarded degrees and certificates at the summer commencement exercises of Wentworth Institute of Technology on the college campus in Boston. Most of the members of the graduating class were cooperative education students. In this program the students alternate between employment in industry and classroom/lab study during the junior and senior years. They received Bachelor of Science degrees. Wentworth has the largest engineering technology co-op education program in New England.

Local graduates were: Douglas H. Cameron of Mattapoisett, Civil Engineering Technology; Michael W. Bailey of Mattapoisett, Technical Science; Scott P. Boucher of Rochester, Electronic Engineering Technology.

ORR 25 YEAR SPORTS HISTORY UPDATE
DO YOU REMEMBER WHO, WHAT, WHEN, HOW???????

We are trying at this very special time in our school's history to update all the information we can about ORR's sports history. It is a fun project and an interesting one. To be successful, though, we need YOU.

YOU probably remember a great deal about the years you watched or took part in ORR's sports program. Over the years, some of this has not been officially recorded, or been misplaced.

What are we looking for? Here are some samples of things you can tell us about.

Who were the first Captains of teams at ORR? Do you know the Captains of teams in other years?

Who held or set any records during the years you remember?

Cheerleaders ---Who, Captains, Special Awards?

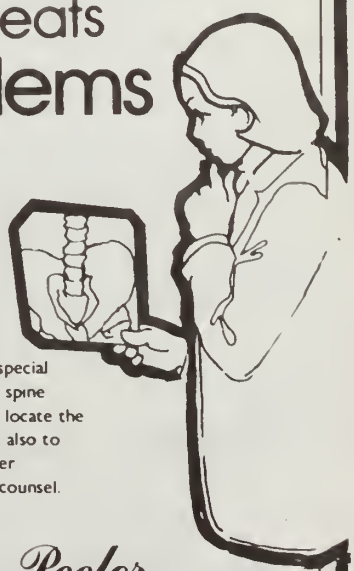
Chiropractic treats
Back Problems



Persistent or recurring aches in the lower back and limbs may suggest a possible lower spinal or pelvic problem. This often requires a structural correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily, the spine and sacroiliac must be aligned to their proper position for normal function.

The doctor of chiropractic has made a special study of conditions related to the sacroiliac, spine and nervous system. She seeks to not only locate the problem and give relief from symptoms, but also to correct the fundamental cause as well as offer preventive, rehabilitation, and maintenance counsel.

Review: Your Theatre

by DAVID B. BOYCE

"MASS APPEAL"

For the third offering in their 1985-'86 season, Your Theatre is staging Bill C. Davis' "Mass Appeal". Davis' observations serve as a less than subtle indictment of a slowly evolving Catholic Church, but the wit and pathos with which he paints his picture draws the audience in and maintains their interest. It is a beautifully structured play, moving steadily forward with a minimum of predictability.

Father Tim Farley is a priest, comfortably ensconced within the womb of his parish. So secure is he that he could be described as laid back. He counsels his flock with benign neglect, gratefully accepts their gifts of wine and generally does nothing to rock the boat. His complacency, like his tippling of the wine, keeps Father Tim from feeling much of anything.

Into this relatively quiet existence enters Mark Dolson, a young seminarian with passionate convictions matched by a tempestuous energy. Dolson burns with youthful optimism, attacking every cause and inequity he perceives with the zeal of an ardent reformer.

"Mass Appeal" is a classic intergenerational confrontation drama, and being couched within cleric offices, its humor has an especially sharp edge. Davis plays on our inherent respect for the clergy, taking us behind the scenes, to show us the people within the vestments.

Lucy Bly, making her directorial debut, is known to Your Theatre audiences as an actress of certain accomplishment. While her first outing as a director is laudable, it is not flawless. Her pacing is crisp, never dull. However, some of her staging is obvious and inappropriate for so intimate

a facility. Both characters deliver speeches to the audience from the apron, when, for the most part, their dialogues call for face-to-face confrontations within the confines of the set. These audience addresses distract from, indeed undermine, the characters' growing relationship. One strains to believe there is an emerging warmth between the two, because they tend to talk at each other rather than with one another. This often makes their meetings stagey and wooden. When Farley announces that Dolson has been assigned to him, at his own request, it comes as no surprise. The challenge and brittleness that separates them in Act I, never melts enough in Act II to make the denouement as effective as it might be.

However, Ms. Bly does invest her production with some deft comedic touches and her individual coaching of the actors works for each character. It is when they don't meld together that the balance is thrown forcibly off-kilter.

Edward J. Maguire plays Father Tim with a an intermittent Irish accent. He commands an imposing presence that befits the role and is most effective in Act II when he defends Dolson in a woozily besotted phone conversation with Dolson's seminary superior.

Michael J. FitzGerald, Jr. portrays Mark Dolson. In this, his second appearance with Your Theatre, FitzGerald exhibits, again, a remarkable instinct for the stage.

His Dolson is intensely sensitive, compassionate and agreeably ambitious.

In observing their work, I was aware of both actors' instincts to counter their direction; lines which invited eye-to-eye conversation when their direction dictated otherwise, movements and gestures which either over- or under-compensated for a conversational lull. FitzGerald is guilty of repetitive gesturing; Maguire of focusing on the flies when supposedly lost in a thought. Both chose to avoid using the audience as their parish, focusing above our heads as opposed to engaging our eyes during the sermons, which would have further involved us within the theatrical fabric of the piece.

Despite these critical observations, "Mass Appeal" is strongly enjoyable theater, well-worth attending. It is provocative and entertaining. Mr. Davis is understanding of the human condition, yet amusingly critical of it. His delightful humor and moving dramatic pronouncements coupled with Your Theatre's crisp production, replete with Ed Maguire's handsome setting and their always professional technical staff, makes their "Mass Appeal" a solid evening. It will be repeated November 20-23 at 8:00 p.m. For reservations call 993-0772.

as a part of the Saturday Youth Theatre Festival.

Pinocchio began as a short story, written by Carlo Collodi in 1880. Mr. Collodi submitted his story to his friend Guido Biagi, who was the editor of the Giornale dei Bambinie (The Children's Journal). Readers fell in love with the new creation of the wooden boy and clamored for more. For the next ten years, as the mood struck him, Caro Collodi would write further sequences of the Pinocchio stories. This helps to explain the almost disconnected sequence of some of the puppet's adventures as he travels from a tiny Neapolitan village to the Land of Toys and into the tummy of a whale.

The Prince street Players perform Pinocchio in festive style with live music, colorful sets and costumes that accent the Neapolitan appearance. Formed in 1965 in a loft studio in Greenwich Village's Prince street, the Prince Street Players have created a repertoire of over a dozen fully-staged musical productions especially designed for

A veteran of the Teddy Wilson, Dorothy Donegan, Yusef Lateef and Earl Hines groups, Jackson has played at a variety of national festivals, but remains most at home when he performs at the most important European jazz festival, "La Grande Parade du Jazz".

The All Stars bass player SLAM STEWART has toured and recorded with the "royalty of jazz" - pianist Art Tatum, Benny Goodman, Dizzy Gillespie and Erroll Garner to name a few. Stewart became known internationally, along with Slim Gaillard, as half of the famous "Slim & Slam" team. Presently he leads his own trio as well as performing at almost every important jazz festival in the world.

Saxophonist NORRIS TURNEY is not only master of the tenor and soprano sax, but of the clarinet, flute and piccolo as well. He has played with the Ray Charles Orchestra and for four years with Duke Ellington. A composer and arranger, his hauntingly beautiful "Checkered Hat" remains an outstanding contribution to the jazz world which Turney dedicated to his

Nursing Open House

Explore a career in Nursing at an open house sponsored by Bristol Community College Thursday, November 21st, from 3 to 7 p.m. in the Health Technologies Building on the Elsbree Street campus.

"Open House is an opportunity to see if a career in nursing is right for you", said Ruth Hurley, director of BCC's Nursing program. Information on admission to BCC and the nursing program, financial aid, advanced placement, and alumni achievements will be available. Faculty and academic counselors will be on hand to answer any questions, and alumni and current students will share their experience in the BCC nursing program.

A program overview presented by the nursing students will be offered in the foyer of the Health Technologies Building at 3:30 p.m., 5 p.m. and 6:30 p.m. Demonstrations of nursing procedures will also be presented. Campus tours, including the nursing lab and facilities, are scheduled for 4, 5:30 and 6 p.m., also in the Health Technologies Building.

"TWO GENTLEMEN OF VERONA"

Shakespeare's hilarious comedy, "Two Gentlemen of Verona", directed by Anne Joelle, will be presented at Priscilla Beach Theatre on Saturday, November 30th, at 10:30 a.m., and Sunday, December 1st, at 1:00 and 3:00 p.m. Priscilla Beach Theatre is located on Rocky Hill Road off Route 3A in Plymouth. For reservations call the theatre at 224-4888.

This lively, fast-paced comedy is about two young Italian Veronese men who travel to the Emperor's court to become "Gentlemen" or learn the manners of the court. While at court, Proteus and Valentine fall in love with the daughter of the Duke, Silvia. Proteus designs a wild scheme to capture the heart of Silvia which totally backfires and teaches him the true meaning of love. We also meet Shakespeare's

Smokeout

GREAT AMERICAN SMOKEOUT SET FOR NOVEMBER 21

On Thursday, November 21, the American Cancer Society will celebrate the ninth annual Great American Smokeout, a day when smokers can start stopping by quitting cigarettes for 24 hours with the support and encouragement of family, friends, and co-workers.

Studies have shown that most smokers want to quit. In fact, 85 percent of the nation's 55 million smokers have tried to kick the habit at least once. The hopeful side of this is that most former smokers tried to quit several times before they were finally successful.

But quitting cigarettes is possible, as any of the nation's 35 million ex-smokers can attest. Many will say that the support of someone close to them was the key factor in their quitting success.

Because most adults spend their day at work, the American Cancer Society is encouraging many businesses to take part in the Great American Smokeout, according to David S. Rosenthal, M.D., President of the Society's Massachusetts Division.

This is especially important in light of a new American Cancer Society study showing that inhaling someone else's cigarette smoke increases a person's risk for lung cancer.

"Through the Adopt A Smoker program, a non-smoker can 'adopt' a friend at work who smokes," Dr. Rosenthal said. "The non-smoker can supply chewing gum, carrot sticks and moral support throughout the day, especially when the smoker's craving for a cigarette becomes strong." The American

Cancer Society supplies smoker "Survival Kit" bags, adoption papers, books of headless matches, and greeting cards asking a friend to quit for the day.

Several Massachusetts companies are planning to launch no-smoking policies for their employees in conjunction with the November Smokeout, Dr. Rosenthal said. To provide further help for smokers who want to quit, the American Cancer Society's FreshStart quit-smoking programs are being scheduled in many companies. A brochure on how to stay quit through the holidays is also available to Smokeout participants.

Massachusetts Governor Michael S. Dukakis recently signed a bill raising the minimum age of purchase of all tobacco products to 18 and increasing the fines for merchants who sell these products to minors.

The Massachusetts legislature is also taking action against smoking by considering the Clean Indoor Air Act. The bill (H. 6732) which has been passed by the House and is currently before the Senate would ban smoking from public transportation systems, all publicly owned buildings, waiting areas for health care facilities and airports, and other confined spaces. The act would also require restaurants seating more than 75 people to designate no-smoking sections.

Crapo Gallery

The William W. Crapo Gallery at the Swain School of Design is pleased to announce the opening of JOYCE McDANIEL RECENT SCULPTURES on Monday, November 25th, from 4:00 to 6:00 p.m. Assistant Professor of Sculpture Eric Lintala of the College notes: "The steel linear constructions of Joyce McDaniel employ a unique combination of line and planar forms. The sculptures do not hide the fact that they are steel with areas that are rich with the color of oxidized metal and shapes that are ground to a highly reflective surface. Even Ms. McDaniel's painted works strongly suggest the material of which they are constructed. Though made of steel, they have a gracefulness about them that flows through the space they encompass."

Joyce McDaniel is Associate Instructor of Sculpture and Faculty Coordinator of the Master of Fine Arts Graduate Program at the School of the Museum of Fine Arts in Boston.

The public is cordially invited to meet Joyce McDaniel at the opening of her exhibition on Monday, November 25th, from 4:00 to 6:00 p.m. JOYCE McDANIEL RECENT SCULPTURES will continue at the Crapo Gallery through Wednesday, December 11th, during regular hours, Monday - Friday, 10:00 a.m. to 4:00 p.m. Parking is available in the Swain School of Design parking lot, corner of Hawthorn and County Streets. Admission is free.

Lloyd Center

ANNOUNCES AWARD OF A MAJOR GRANT

The Lloyd Center for Environmental Studies announces the award of a major grant from the Island Foundations of Marion to advance the implementation of the Center's research program. The grant will support a full-time research coordinator, intern stipends, the mini-grant program, research equipment and operating support for the Center. This grant will play a major role by allowing the Center to increase both the efficiency and effectiveness of its research efforts.

According to the Island Foundations, the grant was formally awarded to the Lloyd Center at the meeting of the Board of Corporators held on September 29, 1985 and will be applied toward the first year of Lloyd Center operations. The Center began independent operations during 1985 after being initially developed and organized by the Dartmouth Natural Resources Trust. As a separate not-for-profit organization, the Lloyd Center can directly receive grants and donations to fund any

aspect of operations.

The Island Foundations grant is of critical import at this juncture in the Center's long-range planning. A Research Committee of the Board of Directors of the Center has overseen the research program to date, a program which has been implemented by Executive Director Dr. Alan Hankin. Day to day research activity, whether it be intern projects on birds at Allen's Pond, acid rain monitoring, mini-grants to study sedimentation at the mouth of the Slocum River and at Barney's Joy or any of the number of staff, volunteer or other studies underway, have been coordinated by existing Lloyd Center administration. As the Center's role in coastal research has grown, so has the need to have a full-time staff member to coordinate the diverse needs of the various projects.

According to Dr. Hankin the Research Coordinator position should be filled by January, 1986. Having a staff member assigned to research will allow for increased intern research projects, speedier publication of Lloyd Center research results and better coordination and cooperation between the Center, local universities, such as S.M.U., and state and federal agencies. The Center works closely with several universities, colleges and state agencies and the Coordinator will be able to increase the effectiveness of these collaboratives.

The grant will also fund a budget for research equipment, much of which has been needed by the Center for quite a while. Field analysis equipment, especially for natural resource inventories and for water quality studies, has been a high priority for the Center. The equipment which the Center has used to date includes donations from Swift Opticals, Continental Screw Com-

pany, Roger Williams College and local hospitals. This grant will allow for both an increase in the amount and quality of field equipment.

The intern stipends and mini-grant funds will be used to support some undergraduate and graduate studies. These are awarded by the Center after a competitive search which takes place yearly. Mini-grant funds have been used in the past to support two Masters of Science degrees (one on salt water intrusion into drinking water and the other on the history over 7000 years of sedimentation in the Slocum River) and other projects. Presently there are three Ph.D. candidates, two Masters candidates and an undergraduate working on mini-grant research work. Funds for these projects have come mostly from private donations in the past and the Center will be responsible for raising matching funds in this area. Any donations for Lloyd Center research will be matched $2.00 for every $1.00 donated due to a challenge gift of Karen Lloyd.

The grant from the Island Foundations will play a major role in the next year of the Lloyd Center's operations. As Dr. Hankin stated, "The Center Board of Directors and staff are very appreciative and thankful to the Island Foundations for their confidence in and support of the Lloyd Center and will work especially hard to continue to warrant such a major contribution."

SMU Youth Orchestra

BEGINS 1985-86 SEASON

The Youth Orchestra at Southeastern Massachusetts University is now registering student musicians from southeastern Massachusetts and Rhode Island middle and high schools. Positions for all instruments are open and any interested student is encouraged to register.

The orchestra, sponsored by the Projects for High Learning Potential and the SMU music department, will hold weekly rehearsals on Saturdays from 9:30 a.m. to 11:30 a.m. starting December 7th in the College of Visual and Performing Arts (Group VI) Building, Room 104. On-going registration is also held in 104 every Saturday from 8:30 to 9:30 a.m.

The conductor will be Dr. F. John Adams, conductor of the New Bedford Symphony Orchestra, who has conducted and performed with orchestras, ensembles, and choruses nationally and internationally. The group will give concerts in the area and present a formal spring concert at SMU's main auditorium in May. Orchestra members may also attend special events, such as symphony concerts, at no extra charge.

Tuition is $50., payable at registration. For more information call 999-8899 or 999-8898 Monday-Friday.

Extension Service

OFFERS FREE STAIN REMOVAL CHART

What do you do when disaster strikes in the form of a new puppy's accident, your toddler paints the wall with peanut butter, or candle wax is spilled on your best linen tablecloth?

Many people call the Plymouth County Cooperative Extension office for advice on various stain and spot removal problems, reports Ann Marie Holsinger, Extension Home Economist, at Plymouth County Extension Service.

So that you may be better informed and prepared to handle these problems, the Plymouth County Cooperative Extension is offering a free comprehensive Stain Removal Chart which was prepared by the Textile & Clothing Committee of Massachusetts Cooperative Extension. This step-by-step easy reference chart can be kept handy for immediate action when stain disasters strike. For your free copy write: Stain Removal Chart, c/o Ann Marie Holsinger, Extension Home Economist, Plymouth County Extension Service, P.O. Box 658, High Street, Hanson, MA. 02341.

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.
Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude.
E.G.B.
